Burntwood American Handicap Tables

Burntwood American Handicap Tables for SVAC American Tournament

Data Source - Rationale

Archery GB do not currently provide official handicap tables for the Burntwood American Round.

The Crystal Palace Bowmen handicap table generator was checked against the following ArcheryGB published handicap tables and no discrepancies were found.

- American
- 30 yards, 2 dozen , 122cm face, imperial scoring
- 30 metres, 3 dozen arrows, 80cm face, metric scoring

Therefore we used the Crystal Palace Bowmen handicap table calculator to produce the tables below for the Burntwood American.

The Crystal Palace Bowmen handicap table generator can be found at:

<http://www.crystalpalacebowmen.org.uk/handicap.shtml>

Burntwood American

The Burntwood American Round is defined as:

Arrows	Distance	Target Face	Scoring
30	30 metres	60 cm	Imperial
30	30 metres	80 cm	Imperial
30	30 metres	122 cm	Imperial

The following tables contain the Handicap information that will be used in the SVAC American Tournament for the Burntwood American Round.
